COMPANY FACTORY

01

21 years of professional experience

03

Independent research and development team
28 top senior professional researchers

05

100% high level ex-factory inspection

07

2 years quality assurance, repair and replacement

4 factories

02

2 professional testing centers

04

High quality imported materials

06

COMPANY QUALIFICATION

COMPANY EXHIBITION

Partners

The image displays a grid of 15 partner logos, arranged in three rows of five. The logos are for various companies in the water and wastewater industry, including Watts Water Technologies, Bray, Hawle, Amri, Bayard, Keystone, Emerson, Gibson, Cameron, CMO Valves, KSB, Tyco, TTV, Sapag, and Haike. Each logo is presented on a white square background with a subtle drop shadow.
