Faq

Q: How long does it take to receive the goods after payment?

A: It depends on the shipping method. For air shipping, it takes about 3-5 days. For sea shipping, it takes about 15-20 days.

Q: What is the minimum order quantity?

A: The minimum order quantity is 100 pieces. For larger quantities, we can offer a discount. RKSfluid is a professional manufacturer of various types of valves and fittings.

Q: What is the lead time?

A: The lead time is 15-20 days. For urgent orders, we can shorten the lead time to 10-15 days.

Q: What is the payment method?

A: We accept T/T, L/C, and Western Union. For small orders, we can accept PayPal.

Q: What is the price?

A: The price is competitive. We can provide a quote based on your requirements.

Q: What is the quality standard?

A: Our products are made of high-quality materials and follow international standards. We have passed TUV, API, WRAS, CE, ISO, DIN, ASME, BS EN, JIS, API, and AWWA certifications.

Q: What is the company's history?

A: RKSfluid has been in the industry for 20 years. We have a strong R&D team and a complete production system. We can provide various types of valves and fittings.
