RKSfluid (Yingkou) Flow Control Company

SGS CE WRAS

The image shows three large, blue industrial valves, likely gate valves, arranged in a row in a factory or warehouse setting. The valves are painted a vibrant blue and feature large, circular flanges with multiple bolt holes. Each valve has a handwheel on top for manual operation. The background shows the interior of a large industrial building with high ceilings and structural beams. The RKSfluid logo and tagline are repeated across the image.
