

DESIGN FEATURES

DURABLE

- · No-pin connection, 1 pc blow-out proof stem
- DI/CI Nodularity over 95%

ANTI-CORROSION

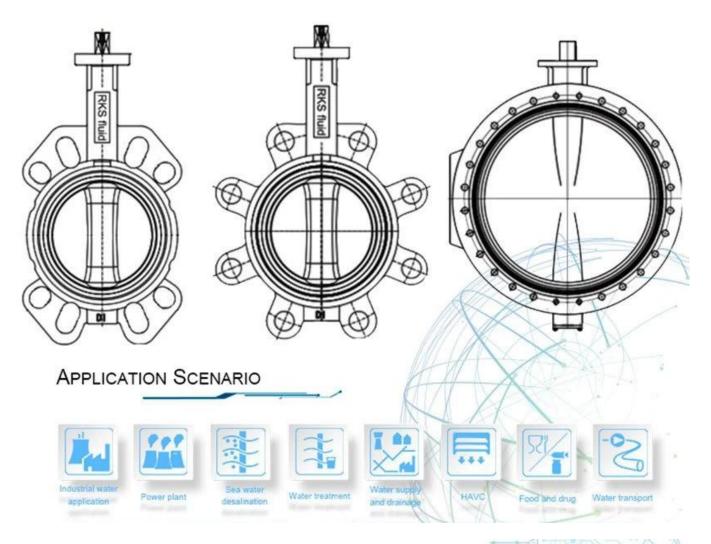

Material: Epoxy powder: AkzoNobel , Earth Best!

• Coating Thickness: 200-250µm

 Spraying temp: over 200°C. Doesn't fade, even wipe with diethyl ether

QUALITY STANDARD

- 100% quality test, follow DIN, ASTM, JIS, GB/T, ISO, BS EN, API
- ONLY ONE Manufacturer get CE certification up to DN1800
- 2 years warranty. 15000 times On-off test, 30000 times
 Destructive experiment

RKSfluid was founded in 1997. We are a production workshop for both foundry and

machining, research & development center, and quality inspection center. The manufacturing

facilities include CNC machining centers, professional processing cells, broad spectrum

welding equipment, automatic assembling and coating lines. We have built a team for design,

research & development. Our new testing center as a public service platform testing center in

Liaoning Province, Become the standard GB of the Chinese valve reference unit, to participate

in the development of the relevant valve industry standards. In order to accelerate the

expansion of overseas business and resources integration, and to support the success of RKS

fluid sales in the USA, German, Russia. We have US Agent. Our product design standards

cover: GB, ISO, German and American Standard, approved by TUV for CE and

ADWO- 2000,

ISO9001, TS, API. Our products: Manual, Pneumatically & electrically operated Ball valves,

Butterfly valves and Gate Valves. Check Valves, Automatic Control Valves. Castings and

Fittings: Valve bodies, Bonnets, Discs, Stems, Gear Box, Universal Couplings, Flange Adaptors,

Tapping Saddles. After years of development, we continue to improve and seek out innovation

while adhering to "Proven Technology, Superior Features and Legendary Value" as our

product value philosophy. Customer satisfaction is our working goal! I Business area: fluid control products, technology and environmental protection products.

Il Advanced CNC machining centers, professional process cells, welding equipment, automatic assembly lines and coating.

III China's standard reference unit, to participate in the development of relevant valve industry standards.

IV We have set up a research and development center in Houston, Texas, in the United States.

V Product Standard: GB, German Standard, American Standard, TUV CE, ISO 9001, ADWO-2000, TS, PED, WRC WRAS, KTW, API 6D, API609.

VI Main production: butterfly valve, ball valve, gate valve, check valve, globe valves, pipe fittings, manual / pneumatic / electric actuator, valve parts.
