

DESIGN FEATURES

- 1.Elastic stainless steel sealing ring,"0"leakage
- 2.Fireproof structural design,blow-out proof stems
- 3.Auto welding plasma powder surfacing valve seat
- 4.Hollow design, reduces flow resistance
- 5.Interchangeable DSS entity seal / multiple-piece
- 6.stainless and graphite seal
- 7.ISO5211 Mounting platform,simple connection

APPLICATION SCENARIO

Industrial water application

Power plant

Sea water desalination

Water treatment

Water supply and drainage

HAVC

Food and drug

Water transport

COMPANY INFORMATION

- I Activity field: Fluid control products, technologies and environmental protection products.
- II Advanced CNC machining centers, professional process cells, large range welding equipment, automatic assembly lines and coating.
- III Standard reference unit of China, to participate in the development of relevant standards of the valves industry.
- IV We have created a research and development center in Houston, Texas, in the United States.
- V Product standard: GB, German Standard, American Standard, TUV CE, ISO 9001, Adwo-2000, TS, Ped, WRC WRA, KTW, API 6D, API609.
- VI Main production: Butterfly valve, ball valve, grid valve, anti-return valves, globe valves, pipe fittings, manual / pneumatic / electric actuator, valve parts.

COMPANY QUALIFICATION

COMPANY EXHIBITION

Faq

Q: If I need a quote, what information do we need?

A: valve materials, temperature, pressure, middle, application system.

Q: Can you provide actuators, what you have?

A: pneumatic, electric, hydraulic, solenoid valves. RKSfluid actuators adopt American technology. You need, tell us.

Q: What is your production capacity?

A: RKSfluid has four plants that can provide the products you need.

Q: Production time

A: Normal products have stocks in 2 ~ 5 working days. Personalized base on your need.

Q: Moq

A: 1PC for all products.

Q: And quality insurance?

A: Quality test 100% before delivery, 2 years warranty. Make sure your system safety. We obtained the TUV, API, WRAS, CE certification, ISO. Standard compliance with DIN, ASME, BS EN, JIS, API, AWWA.

Q: How could you provide quality service to our customers?

A: RKSfluid has 20 years of experience and more than 70 R&D engineers provide technical support, selection of models and installation tips for you.
