

RKSfluid®
Reliability Keeps Safety

Industrial-grade Cartridge Filter Housing

1. Particle filtration, high precision, high efficiency, large pollution capacity
2. Sandblasting and polishing process, up to sanitary requirements
3. Easy to open the cover, easy to replace the filter
4. Complete specifications, optional filter element: DOE, 222, 226 interface

Sanitary Cartridge Filter Housing

- 1.Applicable to aseptic production, comply sanitary filtration and polishing
- 2.New sectional clamp,bearing pressure up to 1MPa
- 3.Bracket with reinforced thread,install adjusting nut,height adjustable,durable
- 4.Fixed or removable disk,thorough cleaning

COMPANY INFORMATION

1. Mainly products Bag Filter, Cartridge Filter, Self-cleaning Filter, Modular Self-cleaning Filter, PP Filter, Filter bag, Filter Element, Filter Material, sea water desalination, Portable desalination system, Candle Filter.
2. More than ten years of experience in filter production and development, with a number of industry invention patents.
3. Supply API,AWWA,ASME,BS EN,DIN,JIS standard,TUV,CE,ISO9001,TS,OHSAS,WRAS certificated.
4. According to the actual working condition, professional R & D team can provide the solution of solid-liquid separation of the filter
