

RKsfluid®

A key Valve in Flow Control

Butterfly Valve

Ball Valve

Gate Valve

Globe Valve

Check Valve

Pipe Fittings

DESIGN FEATURES

APPLICATION SCENARIO

Industrial water application

Power plant

Petroleum

Steel

Wastewater treatment

Acid-base

Healing drugs

Refined coal

Our Factory

The infographic is a large hexagonal grid divided into seven sections, each representing a company advantage. The sections are arranged in two columns: the left column contains advantages 01 through 05, and the right column contains advantages 02 through 06. Each section features a large number in a circle, followed by a descriptive text. The background is a dark blue gradient with a subtle pattern of white dots and lines, resembling a network or a starry sky.

Company Advantages	
01 21 years of professional experience	02 4 factories
03 Independent research and development team 28 top senior professional researchers	04 2 professional testing centers
05 100% high level ex-factory inspection	06 High quality imported materials
07 2 years quality assurance, repair and replacement
